

# GREATER HOUSTON PEST CONTROL ASSOCIATION

**(Two) \$1,000 Scholarships will be awarded to GHPCA members, employees, spouses, and children for the 2020-21 Academic Year**

## “LEADERS OF TOMORROW SCHOLARSHIP”

**The Greater Houston Pest Control Association is dedicated to serving its members and their employees. We strive to provide the latest industry information, resources and member-focused opportunities.**

**Here are the scholarship basics: [submission deadline is April 30, 2020 to [greaterhoustonpca@gmail.com](mailto:greaterhoustonpca@gmail.com)]**

- The scholarship is available to GHPCA members, employees, spouses, and children (*company sponsor required*)
- Students must be entering at least the second year in a \*postsecondary institution (trade schools qualify)
- No specific school or major is required - this scholarship is about Leadership
- The application is essay based and will be submitted to judges without applicants' names
- Applicants will be judged by a Scholarship Committee independent of the GHPCA Board
- We will begin accepting applications in February 2020 (download from [www.ghpca.org](http://www.ghpca.org))
- Recipients will be announced in June 2020
- Scholarships will be presented to the awardees at a spring 2020 GHPCA meeting - date to be announced.

When you see that we are having events to raise money for our scholarship fund, remember that we are doing so to **create a sustainable program** that will continue to benefit our members and their families for years to come.

\*Postsecondary: any educational level after high school
