Get a full, behind-the-scenes tour of all the processes behind the manufacture and distribution of so many of the products we all use.

Last year's tour was fascinating and very informational, even though all of the equipment was already shut down for the day.

This year we made sure we scheduled a time when everything will be up and running. We will meet in the lobby. There is parking in the front and along the side. Please let us know if you'll be coming so we can give them a head count.

There is link to a simple registration form on our website ghpca.org

or email us at greaterhoustonpca@gmail.com

Below are a few photos from our tour in 2023
